AMENDMENT

Sir:

In response to the Office Action mailed December 19, 2002, please consider the remarks set forth below. Please note that the Office Action does indicate a shortened statutory period for response. Therefore, a six month period applies by default. Therefore, Applicants believe a one month extension of time is not required. However, if the U.S. Patent and Trademark Office does not agree, please deduct our deposit account for the one month extension. A copy of the Office Action is attached hereto.

Remarks begin on page 2 of this paper.
